THE STORY

Community Unity Weekend 2026 was born from a simple realization: Milwaukee is stronger when we work together.

Community Health Care Access Day and the Put the Guns Down Community Resource Fair were originally planned as separate events occurring at the same time. Rather than competing for community attention, resources, and partners, Health Connections Inc., MBGNHE, and Safe & Sound united around a shared vision—bringing healthcare access, violence prevention, food security, and community wellness together in one powerful day of action.

This collaboration represents the very spirit of Milwaukee: organizations putting community first.

EXECUTIVE SUMMARY

Community Unity Weekend 2026 is a one-day community experience focused on removing barriers, building connections, and promoting health, safety, and hope in Milwaukee.

Through health screenings, resource navigation, youth and family activities, violence prevention education, food access, and community engagement, we are strengthening the foundation of our neighborhoods and creating pathways to healthier, safer, and more empowered communities.

VISION & IMPACT STATEMENT

Our vision is a Milwaukee where every resident has access to the care, resources, and opportunities they need to thrive.

Community Unity Weekend 2026 will make a measurable impact by connecting residents to essential services, increasing awareness of community resources, promoting violence prevention, supporting family wellness, and creating meaningful engagement that leads to stronger, healthier, and more resilient neighborhoods.

EXPECTED REACH

- 400–500 Milwaukee residents
- Families, youth, seniors, and community leaders
- Community-wide outreach and canvassing
- Digital and social media promotion
- Healthcare, safety, food security, and wellness resources
